The Cotswolds

Is one of the most beautiful parts of England. There is so much to do in the local area. If you are looking for things to do during your stay check out the visitors guide at the bottom of the page on the following link:

Weather

Please note the average temperature for this time of year is 12-15 degrees (although it was 17 last year!). The venue is heated and we may have a fire outside, but given how unpredictable the weather is in England, we would advise you to bring something warm just in case.

Wedding Lists

We are both extremely grateful for those of you able to join us on our big day. Your being there is the most important thing to us and much more important than receiving a gift from you. However if you would still like to give us a small gift we have created a wedding list at John Lewis (Wedding List number: 39548) or would appreciate a voucher from www.55max.com.

Pre Wedding Drinks/Post Wedding Lunch

We will have a small get together in a pub the night before the wedding and would love you to join us. We'll send out details of both events closer to the day or check out the website.

Post Wedding Lunch

If you have time before you head back after the wedding we are having lunch at the Wheatsheaf Pub in Northleach on Sat 8th May at 1300. It would be great to see you there. If you would like to join us let us know and we'll get you some seats.

Dancing!

Can you please all let us know one song that gets you on the dance floor every time!! Please email your song to: tphegan@gmail.com.

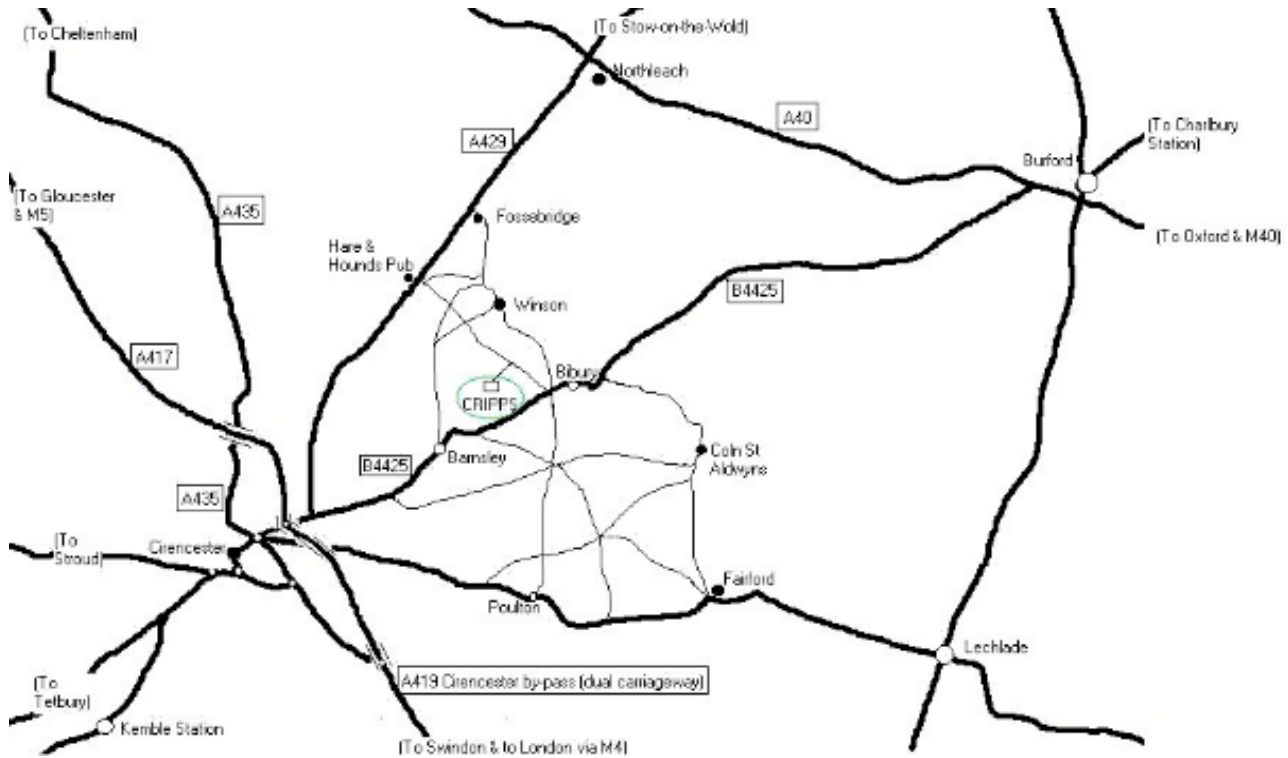

On The Day

The ceremony starts at 1300. The sit down meal won't be served until 4:00pm so it's a good idea to have lunch before you come.

Directions to Cripps Barn

Cripps Barn is about 8.5 miles outside Cirencester (shown on maps as the Potato Barn – grid ref: SP085073). It is located off the unmarked lane which runs between the five-way crossroads on the B4425 (between Barnsley & Bibury) and the Hare & Hounds pub on the A429.

Sat Nav: Try Fosscross Lane, Bibury or GL7 5ND (which brings you to the right end of Bibury – you will have to follow the map from there).

From London (85 miles): One way to go is via the M40, turn off at junction 8 (signposted Oxford), onto the A40. Continue on the A40 bypassing Oxford towards Burford. About a mile out of Burford, take the B4425 (signposted to Bibury). Foss Cross Lane is the unmarked lane (the second) of the two on the right-hand side at the 5 way junction just passed Bibury. The barn is another 1/2 mile or so up that lane, signposted Cripps.
